Deputy

In the matter of the Organization }  
of }  
SAUVIE ISLAND DRAINAGE DISTRICT }

No. 150-087

REPORT OF COMMISSIONERS

We, the undersigned, Commissioners of Sauvie Island Drainage District, respectfully report:

That on the 10th day of August, 1940, we received from the County Clerk of Multnomah County a written notice of our appointment in which were stated the time and place for the first meeting. That in conformity therewith, we held a meeting at 2:00 P.M. on the 12th day of August, 1940 at 356 United States National Bank Building, Portland, Multnomah County, Oregon, and did each, at that meeting, take and subscribe to an oath in form submitted, that your Commissioners will faithfully and impartially discharge our duties and make a true report of the work done.

That the Secretary of the Board of Supervisors did attend the same meeting, and did furnish your Commissioners a complete list of all lands within the District and the names and owners of such property, as were contained in the petition, at the date of the decree incorporating the District, and the Secretary did also furnish your Commissioners with a copy of "the plan for reclamation" with maps and profiles referred to therein and other information relative to the proposed improvement.

That your Commissioners did at the said meeting elect one of their own number, Mr. John W. Cunningham, as Chairman and the Secretary of the Board of Supervisors did then and thereafter act as ex-officio Secretary of this Board of Commissioners during our continuance of office.

That immediately after qualifying, as set forth above, your Commissioners did begin their duties and a representative of the Corvallis

of Engineers, United States Army, did accompany us, furnishing information required and rendering his opinion in writing when called for, and the Secretary of the Board of Supervisors did accompany us when engaged in our duties and did perform all clerical work.

That the Secretary furnished your Commissioners with topographic maps of the District, prepared by Mr. E.W. Fuller, a qualified engineering draftsman, and a tabulated statement showing the total acreage of land belonging to the several owners in the District, and a classification of the said land by elevations, showing separately the land inside of the levee right of way lines protected by levee, the land acquired and used for right of way purposes, and the land lying outside of the levee and receiving no protection therefrom.

That we proceeded to view the premises and determine the value of all lands within or without the District to be acquired and used for rights of way, holding basins or other works set out in the "plan for reclamation"; that we did also assess the amount of benefits and damages, if any, that will accrue to each parcel of land, (there being no irrigated lands, irrigation ditches and canals within the District) public highways, (there being no railroads within the District), other rights of way and other property, which will be affected by the proposed reclamation work, and in so doing we gave due consideration and credit to any other drain, ditch or ditches, levee or levees, or other systems of reclamation which may have already been constructed and which afford partial or complete protection to any tract or parcel of land in the new District, and in so doing the public highways, roadways, other rights of way and other property were assessed according to the increased physical efficiency and decreased maintenance cost of roadways by reason of the protection to be derived from the proposed work and improvements.

That your Commissioners have in no way changed the "plan for reclamation", and have prepared and signed a detailed report of our findings, which is as follows:

REPORT OF FINDINGS.

The District includes an area in the southerly end of Sauvie Island in Multnomah and Columbia Counties, State of Oregon, having boundaries particularly described in the decree of incorporation, being generally the Columbia and Willamette Rivers on the East, Multnomah Channel on the South and West, and Sturgeon Lake and certain described lines on the North, with the exception of certain high areas which have been excluded from the District.

The District is flooded annually, to a varying extent by high waters of the Columbia and Willamette Rivers, and by rainfall upon the surface, and the land is reduced in value by such flooding to a variable extent depending upon the elevation, location, and configuration thereof. Certain areas are shallow lakes. The flooding occurs generally by backing up of water from the lower or northerly end of the island through a series of lakes and a channel known as the Gilbert River, and after the flood stage has passed the waters drain off in the same manner, leaving behind lakes and ponds in depressed areas which gradually dry up during the summer season. The principal flooding of the District comes in May, June and July of each year with varying period and extent, and is due to the high water in the Columbia River. This flooding is most serious because it extends into the summer growing season and reduces or destroys the agricultural productivity and usefulness of the land. The District is also affected by freshets of the Willamette River, which may come at any time during the winter and early spring months and are usually accompanied by local rainfall which must be drained off in addition to the overflow water.

The "plan for reclamation" is described as follows:

FIRST: The construction of a dike or levee around the District, connecting at each end with the high ground lying on the West side of Sauvie Island, the elevation of the top of the dike to be not less than three (3) feet above the 1876 flood plane, or an elevation of thirty-two (32) feet sea level datum, with proper correction for the fall of the

river and allowance for the probable flood slope in the length of the District; the top width of the dike to be not less than twelve (12) feet, and its slopes not less than three (3) feet horizontal to one (1) foot vertical; the dike or levee to be protected wherever necessary by riprap or other form of revetment.

SECOND: The utilization of Gilbert River as the main drainage canal of said district, and the construction of a borrow pit which will serve as a drainage canal from Dry Lake to connect with Gilbert River, and the diversion of these waters through a landside borrow pit to a common pumping plant, with a minimum pumping capacity of 125,000 gallons per minute, to be located in the northerly area of said District, and the construction at said pumping plant of adequate tide boxes, so that drainage of waters from the District will be obtained without pumping when river conditions permit.

Your Commissioners have examined the maps, drawings, plans and specifications prepared by the Corps of Engineers, U.S. Army, which show in detail the work contemplated and to be done under this plan for reclamation. We have examined and studied charts and data showing the frequency, height, and duration of floods, and the time of the annual flood crests. We have also viewed the physical features of the District, noting the present condition and apparent use of the lands lying at the different elevations with reference to the high and low water stages, and have considered the protection and benefits to be derived from the construction of the proposed levee and drainage system.

We have particularly noted that the present "plan for reclamation" is one particularly for the purpose of flood control, and the exclusion and removal of flood waters, and contains no provision for interior drainage except the levee borrow pits and the Gilbert River and other natural and existing waterways. We are of the opinion that the present plan will result in very great benefits, but that it should not be considered as a total and final improvement of the District in order to fully reclaim all areas subject to reclamation. The present plan should be supplemented by a system of interior canals, ditches and

drains serving all feasible areas within the District boundaries, and draining off all surface water into the Gilbert River and the landside borrow pit which extends to the pumping plant.

Even though the District may not make such further improvements with its own funds, the protection from the outside levee makes it possible for some landowners, by reason of favorable location and at very small expense, to pump and drain lands not herein deemed presently benefited. Such drainage, while not a direct result of the plan now contemplated, is made possible thereby. The District, therefore, in assuming construction and maintenance of the outside levee will positively benefit such lands.

The elevation to which the water level inside the dike can be economically lowered will depend upon the amount of seepage. This may be estimated, but cannot be accurately determined until the project is completed. Therefore, the extent of benefits in the lower levels cannot at this time be finally determined.

After considering the foregoing facts, your Commissioners are of the opinion that the finding of benefits and damages made at this time should be considered only as temporary and provisional, and not final and binding for all time. Though to the best of our knowledge and belief this report is true and correct in every feature and respect as of this date, yet it may contain some inadvertent errors or inaccuracies. What is still more important is our inability to look ahead into the future and suitably to provide in our initial report a complete and perfect basis for the annual levies of drainage assessments to be made hereafter by the Supervisors of the District and for their guidance in the solution of presently unforeseen contingencies and problems that will be bound to arise in connection therewith. It is practically certain that any inadvertent errors or inaccuracies that may be contained in our initial report will have to come to light within five (5) years of its date, and that within the same period of time all of the important contingencies and problems that we cannot now anticipate and that are likely to be experienced in connection with the annual levies of drainage assessments to be made in the future by the Supervisors of the District

will have arisen. Also we feel that by the end of such five (5) year period conditions will have so changed with respect to the cultivation of lands in the District that now lie at elevations zero to five (5) feet above sea level that an entire reassessment of benefits and damages to such lands will be not only in order but imperative. We recommend that within five (5) years herefrom, proceedings be initiated for a review of these findings and a redetermination of benefits and damages on lands below five (5) feet elevation. To this end we also recommend that the Court in such order as may be entered by it after hearing on this report expressly reserve jurisdiction over the present Board of Commissioners and over the subject matter of their report, and keep them at all times up to five (5) years from the date of such order subject to the further order of the Court to perform such supplemental administrative duties as Commissioners as may be contemplated by law and as may be directed by the orders of the Court.

#### VALUE OF RIGHTS OF WAY

Your Commissioners, after considering the foregoing facts and viewing the premises have determined that the value of lands within or without the District to be acquired and used for rights of way depend upon the elevation thereof and the further fact that such lands generally adjoin the banks of the Columbia and Willamette Rivers, Multnomah channel and interior bodies of water. That the acreage shall be computed from the top of the bank to the inside boundary of the easement to be granted for levee rights of way and borrow pit purposes and value thereof shall be as follows:

- (1) Land above twenty (20) feet elevation, at the rate of \$35.00 per acre;
- (2) Land between ten (10) and twenty (20) feet elevation, at the rate of \$20.00 per acre;
- (3) Land below ten (10) feet elevation, at the rate of \$5.00 per acre.

#### BENEFITS AND DAMAGES

Your Commissioners find that the land outside of the levee and not acquired for right of way or borrow pit purposes is unchanged in value, and neither benefited or damaged by the improvement.

Your Commissioners find that land actually occupied the dike (including its slopes) as constructed and as maintained, and the land between the tops of the banks of the drainage canal extending from Marquam Lake to the pump house and known as A-1 shall be excluded from the assessment zones.

Your Commissioners find that the most equitable method of arriving at the benefits accruing to lands within the District receiving the protection of the levee and other works is by a division into zones depending upon elevations and extent of overflow, considering the relative conditions and value before and after the proposed improvement is made. Where the elevations of any tract are modified during the improvement, the final elevations shall determine the zone and benefits. These zones are determined, designated and described as follows:

Zone I - Lands below Elevation 5 Mean Sea Level. It is the belief of your Commissioners that seepage and economical operation of the pumping plant will make it impractical at the outset to give adequate drainage for lands lying under and below Elevation 5 feet above Mean Sea Level. While the water level may actually be held below this point, the margin during the growing season is not likely in the beginning to be sufficient for proper root development and the successful growth of crops. Therefore the lands in Zone I will not be changed at this time in condition and value by the construction of the project.

Zone II - Lands above Elevation 5 and below Elevation 10 Mean Sea Level. A study of the official government records indicates that these lands have been flooded every year since 1876 with an average flood duration at Elevation 10 of 85 days. It is therefore evident that under present conditions these lands have value only for a little late pasturage and must be considered as receiving maximum benefits from the construction of the levee and drainage system.

Zone III - Lands above Elevation 20 and below Elevation 20 Mean Sea Level. These lands are subject to flooding with a varying frequency and duration, but since they exist as narrow strips and small areas, and any single ownership or practical field for cultivation

generally contains elevations throughout the range stated, it has been considered fair to place all land between those elevations in a single zone. Floods extend to Elevation 20 in approximately 55% of all years with an average duration of 12 days. In their present state the Zone 3 lands are mainly used for grazing, while after completion of this project they can be used for raising any agricultural crop adapted to the soil and climatic conditions.

ZONE IV - Lands above Elevation 20 and below Elevation 29.

Mean Sea Level. The lands in this zone are flooded only for a few days at a time, and can now be used for certain crops. These must, however, be planted after the Columbia River freshet has receded or after it is known that there will be no such freshet. The proposed improvement will give assured annual crops.

Zone V - Lands above elevation 29 Mean Sea Level. The high lands above Elevation 29 are not now and not likely to be damaged by flooding. Therefore, the lands in Zone 5 will not be changed at this time in condition and value by the construction of the project.

HIGHWAYS

As the public highways within the District will receive considerable benefits due to decreased maintenance cost, it was decided to assess benefits against each portion of the highway in accordance with the zones in which it is located and for the area occupied.

SUMMARY OF ZONE ASSESSMENTS

It is the judgment of the Commissioners that the land in Zones 1 and 5 will be neither benefited nor damaged; that the land in Zone 2 will receive maximum benefits to the extent of \$100.00 per acre; that the land in Zone 3 will be benefited to an extent of 70% of the maximum, or \$70.00 per acre; and that the land in Zone 4 will be benefited to an extent of 35% of the maximum or \$35.00 per acre, and we so find. Applying these rates to the acreage computed, the total benefits for land inside of the levee right of way lines are as follows:

Tract No. 1.

BRANDON, ROBERT B.

Owner of

Tax Lot Three (3), Section Thirty-two (32), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Lots Two (2), Four (4), Six (6), and Southeast Quarter of the Northwest Quarter (SE<sup>1</sup>/<sub>4</sub>) of Section Thirty-two (32) Township Three (3) North, Range One (1) West, except 3.06 acres in Road #1063, and containing 148.71 acres

60.24 acres in Zone 1 at \$ 00.00	\$	00.00
26.57 acres in Zone 2 at \$100.00		2,657.00
21.50 acres in Zone 3 at \$ 70.00		1,505.00
148.71 acres at average benefit of \$53.13 plus per acre		\$ 7,902.00

Tract No. 2.

BRANDON, ROBERT B.

Owner of

Tax Lot Nine (9), Section Thirty-two (32), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

All that portion of the Northwest Quarter of the Northwest Quarter (NW<sup>1</sup>/<sub>4</sub>) and the Northwest Quarter of the Northwest Quarter (NW<sup>1</sup>/<sub>4</sub>) and West 165 feet of Lot One (1) south of Gilbert River, and containing 10.60 acres.

4.00 acres in Zone 1 at \$ 00.00	\$	00.00
2.90 acres in Zone 2 at \$100.00		290.00
3.70 acres in Zone 3 at \$ 70.00		259.00
10.60 acres at average benefit of \$51.79 plus per acre		549.00

Tract No. 3.

BRANDON, ROBERT B. and

SHUTE, A.V.

Owners of

Tax Lot Ten (10), Section Thirty-two (32), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows:

Beginning at southeast corner of W. Cooper D/G in Section Thirty-two (32), Township Three (3) North, Range One (1) West; thence westerly along North Line Cooper D/G to center of Gilbert River; thence southerly along center of Gilbert River to its intersection with line running West from point 3677 feet south of northeast corner of W. Cooper D/G; thence East 1500 feet more or less to west shore of Little Sturgeon Lake; thence northerly along said shore of said lake to beginning, excepting 1.80 acres in Road #1063, and containing 114.50 acres.

10.50 acres in Zone 1 at \$ 00.00	\$	00.00
12.50 acres in Zone 2 at \$100.00		1,250.00
91.50 acres in Zone 3 at \$ 70.00		6,405.00
114.50 acres at average benefit of \$66.85 plus per acre		\$ 7,655.00

Tract No. 4.

BUSCH, JACOB

Owner of that part

(a) of Tax Lot Three (3), Section Five (5), Six (6), Seven (7), and Eight (8), in Township Two (2) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, to-wit:

Beginning at the northwest corner of the Trabel Log's Ditch thence South 50° East, 16 chains; thence South 45° 13' East, 5,906 chains; thence South 40° 59' 30" East, 15,606 chains; thence South 37° 34' East, 18,606 chains to the true place of beginning; thence North 50° 12' East, 40,800 chains; thence North 43° 48' East, 31 chains; thence North 19° 35' East, 17,026 chains; thence North 35° 9 1/3' East, 28,458 chains; thence North 45° East to a point in the South line of Lot 7 in said Section 6; thence East on said South line to the southeast corner of said Lot 7 and the East line of said Section 6; thence North on the said East line of Section 6 to the South line of the McQuinn Ditch; thence easterly following the South line of the McQuinn Ditch; thence easterly following the northeast corner of Lot 6 in said Section 5; thence South to the South line of said Section 5; thence East on the said South line of Section 5 to a point which bears North 45° 13' East, 18,22 chains and North 41° East, 105,28 chains from the Southeast corner of the said Trabel Log's Ditch; thence South 43° West to the Northerly corner of the School District No. 19 tract; thence North 35° East, 4,10 chains; thence South 58° West, 2.25 chains to the Northerly line of the H.A. King West, 2.25 chains to the Northerly line of the H.A. King West, 50 acre tract; thence Northerly along the northerly line of the H.A. King West 50 acre tract to the northerly corner thereof; thence Southwesterly along the northerly line of the said H.A. King West 50 acre tract to the southwesterly corner thereof on the East bank of Willamette Slough; thence northerly down stream to the true place of beginning; EXCEPTING however that certain 5.17 acre tract of land in said Section 8 conveyed to H.A. King by deed recorded April 27, 1912 in Deed Book 583, page 823 and ALSO EXCEPTING that portion thereof included in public roads;

and (b) lying North and East of the boundary line (of Saurie Island Drainage District crossing the above described tract of land) as established by the Order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938, and made in a proceeding entitled in the Matter of the Organization of Saurie Island Drainage District and numbered 130-087 and (c) containing 228.91 acres.

42.20 acres in Zone 1 at \$ 66.00	\$	00.00
50.80 acres in Zone 2 at \$100.00		5,080.00
70.77 acres in Zone 3 at \$ 79.00		4,993.80
65.14 acres in Zone 4 at \$ 35.00		2,279.80
228.91 acres at average benefit of \$53.79 plus per acre		\$12,313.80

Tract No. 5

CASHDOLLAR, GEO. I. and EDNA M.

Owners of

Tax Lot One (1), Section Twenty-two (22), Township Two (2) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at the northeast corner of Joseph Chariton D&C; thence along the northeasterly line of said claim South 43° 22' East 7359 feet to southeast corner of said claim; thence southwesterly along meanders as follows; Thence South 56° 28' West 221.95 feet; thence South 51° 5' West 402.2 feet; thence South 49° 5' West 7.64 feet to dividing line between northerly and southerly halves of said claim; thence along dividing line North 45° 32' West 7198.3 feet to northwesterly line of claim; thence North 41° 44' East 978.26 feet along claim line to northeasterly corner of said claim, to place of beginning; excepting 0.79 acres in Gillihan Road #805 (28), and containing 139.09 acres

4.51 acres in Dike Right of Way at \$00.00	\$	00.00

12,228.08 acres in Pump House Area at \$00.00		00.00
12,228.08 acres at average benefit of \$52.53 plus per acre		\$642,405.00

DETAILED ASSESSMENT

A detailed determination of the value of lands within or without the District to be acquired and used for rights of way or other works set out in the "plan for reclamation", and assessment of the benefits that will accrue to each ownership and parcel of land, including the public highways and other property which will be affected by the proposed reclamation work, are as follows:

Tract No. 7 (continued)

and (b) lying East of the boundary line of (Sauvie Island Drainage District crossing the above described tract of land) as established by the Order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938, and made in a proceeding entitled In the Matter of the Organization of Sauvie Island Drainage District and numbered 130-007 and (c) containing 184.54 acres

74.42 acres in Zone 1 at \$ 00.00	\$	00.00	
33.38 acres in Zone 2 at \$100.00		3,338.00	
69.75 acres in Zone 3 at \$ 70.00		4,882.50	
6.99 acres in Zone 4 at \$ 35.00		244.65	
184.54 acres at average benefit of \$45.87 plus per acre			\$ 8,465.15

Tract No. 8.

CHARLTON, ROBERT E. and  
LYONS, EDWARD J.

Owners of that part

(a) of Tax Lot Two (2) Section Sixteen (16), Township Two (2) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Matthew White D10; thence North 36° West 7 chains; thence North 39° West 5 chains; thence North 42° West 9.84 chains; thence North 42° 30' West 5 chains; thence North 60° West 4 chains; thence North 43° East 24.43 chains; thence East on division line of claim 48.18 chains to claim line; thence South 40° 30' East 31.40 chains; thence South 75° 30' West 80.03 chains to beginning, excepting 0.58 acres described in Book 340 page 412; also beginning at a point in dividing line of Matthew White D10 North 55° 49' West 12.57 chains from northwest corner of Joseph Charlton D10; thence North 43° West 0.63 chains; thence West parallel with the dividing line of White D10 12.50 chains to bank of Gilbert River; thence South 43° East 0.63 chains to South dividing line; thence East 12.50 chains to beginning in Sections 16 and 22, excepting 1.18 acres in same; excepting therefrom that tract of land described in a deed dated March 10, 1939 from Robert E. Charlton and wife, and from Edward J. Lyons, single, to Ira L. Mansel and recorded on the same date in P.S. Book 487 at page 66 of the Records of Deeds of Multnomah County, Oregon,

and (b) lying South and East of the boundary line of (Sauvie Island Drainage District crossing the above described tract of land) as established by the order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938, and made in a proceeding entitled In the Matter of the Organization of Sauvie Island Drainage District and numbered 130-007, and (c) containing 126.19 acres.

7.50 acres in Dike Right of Way at \$00.00	\$	00.00	
9.91 acres in Zone 2 at \$100.00		991.00	
94.43 acres in Zone 3 at \$ 70.00		6,610.10	
14.35 acres in Zone 4 at \$ 35.00		502.25	
126.19 acres at average benefit of \$64.21 plus per acre			\$ 8,103.35

Tract No. 9.

CLARK, BEATRICE

Owner of

Tax Lot Five (5), in Section Sixteen (16), Township Two (2) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Commencing at the most southerly corner of county bridge over Gilbert River in Matthew White DLO on Sauvie Island; thence southwesterly 300 feet to southeasterly side of County Road for beginning; thence southeasterly along southeasterly line of County Road 520 feet; thence southeasterly at right angles to last described course 416 feet; thence northeasterly parallel to said County Road 726 feet; thence northwesterly at right angles to last described course 416 feet; thence southwesterly along southeasterly line of said County Road to origin, and containing 6.95 acres.

3.38 acres in Zone 3 at \$70.00	\$236.60	
2.57 acres in Zone 4 at \$35.00	89.95	
1.00 acres in Zone 3 at \$00.00	00.00	
6.95 acres at average benefit of \$46.98 plus per acre		\$ 326.55

Tract No. 10

COOPER, KENNETH L.

Owner of that part

(a) of Tax Lot Two (2) in Section Twenty-eight (28), Township Three (3) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, namely:

The North 21.25 acres of Lot 3

and (b) lying South and West of the boundary line (of Sauvie Island Drainage District crossing the above described tract of land) as established by the order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938, and made in a proceeding entitled in the Matter of the Organization of Sauvie Island Drainage District and numbered 130-087 and (c) containing 8.90 acres

(a) of a parcel of land in Section Twenty (20), Township Three (3) North, Range One (1) West of the Willamette Meridian in Columbia County, Oregon, and described as follows, namely:

Lot Five (5)

and (b) lying South and West of the boundary line (of Sauvie Island Drainage District crossing the above described tract of land) as established by the Order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938, and made in a proceeding entitled In the Matter of the Organization of Sauvie Island Drainage District and numbered 130-087 and (c) containing 33.72 acres

17.42 acres in Dike Right of Way at \$00.00	\$ 00.00	
1.88 acres in Zone 1 at \$ 00.00	00.00	
13.15 acres in Zone 2 at \$100.00	1,315.00	
1.27 acres in Zone 3 at \$ 70.00	88.90	
<u>33.72 acres at average benefit of \$41.63 plus per acre</u>		<u>\$ 1,403.90</u>

Tract No. 102

COOPER, KENNETH L.

Owner of

A tract of Land in Section Nineteen (19), Township Three (3) North, Range One (1) West of the Willamette Meridian in Columbia County, Oregon, and described as follows, namely:

Tract No. 102 (continued)

Lots Eight (8) and Nine (9) described are: Beginning at meander corner between Section 19, Township 3 North, Range 1 West on the right bank of Willamette Slough; thence south-westerly along right bank of Willamette Slough 47.27 chains to a point; thence East 57.67 chains to a point on section line between Sections 19 and 20; thence North on said section line 24.53 chains to meander corner between Sections 19 and 20 and the place of beginning, and containing 65.00 acres

14.50 acres in Dike Right of Way at \$100.00	\$ 00.00	
5.00 acres in Zone 2 at \$100.00		500.00
45.50 acres in Zone 3 at \$ 70.00		<u>3,185.00</u>
65.00 acres at average benefit of \$56.60 plus per acre		\$ 3,685.00

Tract No. 103

COOPER, KENNETH L.

Owner of

A tract of land in Section Twenty (20), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Columbia County, Oregon, and described as follows, namely:

A lake-bed meandered by the United States surveys and lying in Sections 20 and 29, Township 3 North, Range 1 West in the counties of Columbia and Multnomah described as follows: Beginning at the meander post in Section line between Sections 20 and 29, Township 3 North, Range 1 West and running thence South 28° East 12.00 chains; thence East 11.00 chains; thence North 52½° East 17.61 chains to meander corner between Sections 20 and 29; thence North 40° East 7.50 chains; thence North 5° West 6.00 chains; thence North 17° West 17.00 chains; thence North 36° West 10.00 chains; thence North 23° West 6.50 chains; thence North 30° West 16.00 chains; thence North 70° West 5.00 chains; thence South 21° West 19.00 chains; thence South 28° East 3.50 chains; thence South 6° West 6.00 chains; thence South 40° East 4.00 chains; thence South 11.50 chains; thence South 31° West 13.20 chains; thence South 16° East 7.90 chains to place of beginning, and containing 135.83 acres.

5.50 acres in Dike Right of Way at \$100.00	\$ 00.00	
122.33 acres in Zone 1 at \$ 00.00		00.00
8.00 acres in Zone 2 at \$100.00		<u>800.00</u>
135.83 acres at average benefit of \$5.88 plus per acre		\$ 800.00

Tract No. 104

COOPER, KENNETH L.

Owner of

A tract of land in Section Twenty (20), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Columbia County, Oregon, and described as follows, namely:

Beginning at a stake 7.29 chains west of the center of Section 20, Township 3 North, Range 1 West of Willamette Meridian; running thence South 89° 32' West 2.03 chains to the meander

Tract No. 106

STEELMAN, MAMIE A.

Owner of

the following described property in Section Twenty (20),  
Township Three (3) North, Range One (1) West of the  
Willamette Meridian, in Columbia County, Oregon:

That portion (of a parcel of land in Section 20, Township  
3 North, Range 1 West of the Willamette Meridian in  
Columbia County, Oregon, and conveyed to Mamie A. Steel-  
man by deed recorded in Book 37 at page 374 of the Records  
of Deeds of Columbia County, Oregon) lying within the right  
of way of the Dike of Sawvie Island Drainage District as  
constructed across said parcel of land and containing 10  
acres

10.00 acres in Dike Right of way at \$50.00

\$ 00.00

The three (3) assessments next following relate to the  
beds and other land lying inside of the meandered boundaries of  
Little Sturgeon Lake, Marquam Lake, and Mouse Island Lake and  
not otherwise, or elsewhere herein assessed for benefits. We do  
not know in whom title to these three tracts may be vested,--  
whether in the State Land Board or in owners of adjacent tracts  
of land. Our findings follow:

Tract No. 107

LITTLE STURGEON LAKE

(Owner or owners unknown)

lying in Sections Four (4), Five (5), Township Two (2) North, Range One (1) West, and in Sections Thirty-two (32) and Thirty-three (33), Township 3 North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at the west meander line of Little Sturgeon Lake where it crosses the section line between Sections 5 and 32; thence South  $12^{\circ} 30'$  East 409.2 feet; thence South  $5^{\circ}$  East 739.2 feet; thence South  $8^{\circ}$  East 1095.6 feet; thence South  $30^{\circ}$  East 1201.2 feet; thence South  $29^{\circ}$  East 1174.8 feet; thence North  $35^{\circ}$  East 1353 feet; thence North  $10^{\circ}$  East 660 feet; thence North  $20^{\circ}$  East 825 feet; thence North  $50^{\circ}$  East 1320 feet; thence North  $12^{\circ}$  East 957 feet to section line between Sections 4 and 33; thence West on section line across the lake 3700 feet, more or less to point of beginning, being the south portion of Little Sturgeon Lake, ALSO

Beginning at the west meander line of Little Sturgeon Lake where it crosses the section line between Sections 5 and 32; thence North  $8^{\circ}$  East 870.2 feet; thence West 363 feet; thence South  $8^{\circ}$  West 991 feet; thence West 132 feet; thence North  $11^{\circ}$  West 660 feet; thence North  $44^{\circ}$  West 792 feet; thence North  $12^{\circ}$  West 660 feet; thence North  $64^{\circ}$  East 1023 feet; thence South  $20^{\circ}$  East 330 feet; thence North  $32^{\circ}$  East 244 feet; thence North  $53^{\circ}$  East 429 feet; thence South  $42^{\circ}$  East 264 feet; thence North  $18^{\circ}$  East 660 feet; thence North  $85^{\circ}$  East 660 feet; thence South  $77^{\circ} 30'$  East 343.2 feet; thence North  $53^{\circ}$  East 462 feet; thence North  $43^{\circ}$  East 297 feet; thence South  $87^{\circ}$  East 297 feet; thence North  $45^{\circ}$  East 132 feet; thence East 95 feet more or less to the westerly bank of the A.I. canal; thence southeasterly along the west bank of said canal 3350 feet more or less to a point intersecting the canal and the original meander line at a point 460 feet north from the section line; thence South  $45^{\circ}$  West 70 feet; thence South  $82^{\circ}$  West 429 feet; thence North  $63^{\circ}$  West 198 feet; thence South  $40^{\circ}$  West 66 feet; thence South  $50^{\circ}$  East 429 feet; thence South  $19^{\circ}$  East 105.6 feet to section line between Sections 4 and 33; thence west on section line across the lake 3700 feet more or less to point of beginning, being the north portion of Little Sturgeon Lake, and containing 497.19 acres

471.59 acres in Zone 1 at \$ 00.00	\$ 00.00	
25.60 acres in Zone 2 at \$100.00	2,560.00	
497.19 acres at average benefit of \$5.14 plus per acre		\$ 2,560.00

Tract No. 108

MARQUAM LAKE

(Owner or Owners unknown)

lying in Section Three (3), Township Two (2) North, Range One (1) West of the Willamette Meridian, and Sections Thirty-four (34) and Thirty-five (35), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at a point where the meander line of the west side of Marquam Lake intersects the Leonard Jewett DLS 475.2 feet from the section line of Section 3; thence South 17° 15' East 990 feet; thence South 6° East 584 feet; thence South 53° East 369 feet; thence South 54° 15' East 881 feet; thence North 72° East 924 feet; thence North 70° East 735.9 feet; thence North 627 feet; thence North 36° East 485 feet; thence North 29° East 328.68 feet; thence West across the Lake 3580 feet more or less to beginning, being the south portion of Marquam Lake, ALSC

Beginning at a point where the meander line of the west side of Marquam Lake intersects the Leonard Jewett DLS 475.2 feet from section line of Section 3; thence North 59° West 384.78 feet; then North 36° East 491.7 feet; thence North 57° East 759 feet; thence North 67° East 386 feet; thence North 60° East 498.5 feet; thence North 75° East 372.24 feet; thence East 726 feet; thence South 71° East 366.74 feet; thence South 2° West 257.4 feet; thence South 50° 30' East 106.24 feet; thence North 37° East 215.82 feet; thence North 45° East 120.22 feet; thence North 40° East 175.56 feet; thence North 64° East 276.54 feet; thence North 76° East 206.58 feet; thence North 54° 30' East 446.82 feet; thence South 25° East 97.02 feet; thence North 74° 30' East 950 feet more or less; thence South 13° West 2130 feet, more or less, to the Leonard Jewett and H.J. McIntire DLS; thence West across the Lake 4540 feet more or less to beginning, being the north portion of Marquam Lake,

Excepting 16.38 acres belonging to the United States of America, and 5.58 acres deeded to Louella Copeland, and containing 287.35 acres

201.85 acres in Zone 1 at \$ 00.00	\$ 00.00	
<u>65.50 acres in Zone 2 at \$100.00</u>	<u>6,550.00</u>	
287.35 acres at average benefit of \$29.75 plus per acre		\$ 8,550.00

MOUSE ISLAND LAKE

(Owner or Owners unknown)

Lying in Sections Twenty-eight (28), Twenty-nine (29), Thirty (30) and Thirty-two (32), Township Three (3) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, namely:

Beginning at Section corner of Sections 19, 20, 29 and 30, which is on county line of Columbia and Multnomah Counties; thence East 100 feet; thence South 15° 30' East 554.4 feet; thence South 50° East 858 feet; thence South 81° East 396 feet; thence North 63° East 396 feet; thence North 53° East 726 feet; thence North 47° East 768.9 feet to said county line; thence East 970 feet more or less to the westerly bank of A.1 canal; thence along said canal southeasterly 650 feet to a point 100 feet from center of canal; thence South 26° West 297 feet; thence South 24° East 118.8 feet; thence South 65° West 184.8 feet; thence South 25° East 660 feet; thence South 36° East 924 feet; thence South 2° East 495 feet; thence South 81° West 660 feet; thence South 66 feet; thence South 75° East 330 feet; thence South 40° West 264 feet; thence South 79° East 825 feet; thence South 48° East 561 feet; thence South 3° East 825 feet; thence East 66 feet; thence North 6° East 462 feet; thence South 49° East 227.7 feet; thence South 30° East 396 feet; thence South 0° 30' East 414.48 feet; thence South 10° West 198 feet; thence South 28° West 343.86 feet; thence South 80° West 396 feet; thence North 31° West 390 feet; thence South 80° West 396 feet; thence North 68° West 693 feet; thence North 73° West 270.6 feet; thence North 73° West 957 feet; thence South 80° West 1551 feet; thence North 84° West 984.06 feet; thence North 75° West 627 feet; thence North 22° West 1089 feet; thence North 78° West 495 feet; thence North 188 feet; thence North 82° East 396 feet; thence North 67° East 363 feet; thence North 495 feet; thence North 22° West 264 feet; thence North 73° West 330 feet; thence North 30° West 726 feet; thence North 43° East 528 feet; thence North 68° East 495 feet; thence South 55° East 594 feet; thence South 82° East 258.06 feet; thence East 198 feet; thence North 55° East 495 feet; thence North 30° West 165 feet; thence North 79° West 231 feet; thence North 87° West 293.7 feet; thence North 85° West 409.2 feet; thence North 37° West 462 feet; thence North 38° East 363 feet; thence North 28° West 396 feet; thence North 17° West 330 feet; thence North 83° East 363 feet; thence South 63° East 198 feet; thence North 18° East 99 feet; thence East on county line to point of beginning 175 feet more or less, and containing 593.17 acres

586.90 acres in Zone 1 at \$ 00.00	\$ 00.00	
6.27 acres in Zone 2 at \$100.00	627.00	
593.17 acres at average benefit of \$1.05 plus per acre		\$ 627.00

With respect to the following described tract of land, we feel some particular comment, explanation and findings are in order and ought to be made by us for the benefit and information of the Court, of the Sauvie Island Drainage District and its Supervisors, and of the owners of the above described parcels of land.

Tract No. 110

BURNS, ESTHER E.

Owner of

Tax Lot Mine (B), in Section Thirty-four (34), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Section 34, Township 3 North, Range 1 West; thence North 89° 36' East along the south line of said section, 532.0 feet to the center of Reeder Road; thence North 55° 35' East 308.1 feet along the center line of Reeder Road; thence North 62° 39' East 258.2 feet along the center line of Reeder Road; thence North 65° 26' East 142.55 feet along the center line of Reeder Road; thence North 54° 32' East 351.85 feet along the center line of Reeder Road to the true point of beginning; thence North 54° 32' East 702.72 feet along the center line of Reeder Road; thence North 32° 00' West 686.20 feet to the meander line of Sturgeon Lake; thence South 65° 00' West along the meander line of Sturgeon Lake, 229.75 feet; thence South 53° 00' West along the meander line of Sturgeon Lake 475.2 feet; thence South 32° 00' East 715.63 feet to the true point of beginning, and containing 11.55 acres.

This tract lies wholly outside of the boundary lines of Sauvie Island Drainage District as established by the order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938 and made in a proceeding entitled In the Matter of the Organization of Sauvie Island Drainage District and numbered 130-087. If this tract lay within the boundary lines of Sauvie Island Drainage District as so established, it would be subject to assessment of benefits by us as follows:

2.82 acres in Dike Right of Way at \$00.00	\$ 00.00	
2.72 acres outside Dike Right of Way at \$00.00	00.90	
<u>5.54 acres in Zone 3 at \$70.00</u>	<u>413.70</u>	
11.55 acres at average benefit of \$35.81 plus per acre		\$ 415.70

However, pending the inclusion of this tract within the territorial limits of Sauvie Island Drainage District, we appear to lack jurisdiction to assess the same or any part thereof for benefits in any amount whatsoever and we so find, although the dike as constructed protects and will continue to protect against overflow by flood waters 8.83 acres of said tract and to that extent actually benefits and will continue to benefit said tract.

Tract No. 111

HENRIOT, Mrs. LAURA MCINTIRE

Owner of

Tax Lot Six (6) in Section Thirty-four (34), Township Three (3) North, Range One (1) West of the Willamette Meridian, in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Section 34, Township 3 North, Range 1 West of the Willamette Meridian; thence North 89° 58' East, along the south line of said section 532.0 feet to the center of Reeder Road; thence North 55° 35' East 308.1 feet along the center line of Reeder Road; thence North 62° 38' East 258.2 feet along the center line of Reeder Road; thence North 65° 26' East 142.55 feet along the center of Reeder Road; thence North 54° 32' East along the center line of Reeder Road 26.8 feet to an intersection with the northeasterly line of the Rose City Dusk Club property, this being the true point of beginning of the tract herein described; thence North 54° 32' East 324.95 feet; thence North 32° 00' West 915.63 feet to Sturgeon Lake; thence South 53° 00' West 325.58 feet; thence South 32° 00' East 706.90 feet to the true point of beginning, and containing 3.14 acres.

This tract lies wholly outside of the boundary lines of Sauvie Island Drainage District as established by the order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938 and made in a proceeding entitled in the Matter of the Organization of Sauvie Island Drainage District and numbered 190-087. If this tract lay within the boundary lines of Sauvie Island Drainage District as so established, it would be subject to assessment of benefits by us as follows:

1.41 acres outside Dike Right of Way at \$00.00	\$ 00.00	
1.49 acres in Dike Right of Way at \$00.00	.00.00	
<u>2.24 acres in Zone 3 at \$70.00</u>	<u>156.80</u>	
3.14 acres at average benefit of \$30.50 plus per acre.		\$ 156.80

However, pending the inclusion of this tract within the territorial limits of Sauvie Island Drainage District, we appear to lack jurisdiction to assess the same or any part thereof for benefits in any amount whatsoever and we so find, although the dike as constructed protects and will continue to protect against overflow by flood waters 3.73 acres of said tract and to that extent actually benefits and will continue to benefit said tract.

Tract No. 112

MCINTIRE, JOHN L.

Owner of

Tax Lot Seven (7) in Section Thirty-four (34), Township Three (3) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Section 34, Township 3 North, Range 1 West; thence North 89° 56' East along the south line of said section 532.0 feet to the center of Reeder Road; thence North 55° 35' East 308.1 feet along the center line of Reeder Road; thence North 62° 39' East 258.2 feet along the center line of Reeder Road; thence North 65° 26' East 142.55 feet along the center line of Reeder Road; thence North 54° 32' East 1780.90 feet; thence North 61° 54' East 411.25 feet along the center line of Reeder Road; thence North 74° 33' East 201.12 feet along the center line of Reeder Road; thence North 71° 48' East 253.60 feet to the true point of beginning of the tract herein described; thence North 71° 48' East 10.28 feet along the center line of Reeder Road; thence North 87° 04' East 284.95 feet along the center line of Reeder Road; thence South 71° 37' East 285.25 feet along the center line of Reeder Road; thence South 68° 18' East along the center line of Reeder Road 356.22 feet; thence North 692.12 feet to the south line of Kitty Hutchinson property; thence North 88° 28' West along the south line of Kitty Hutchinson property, 905.88 feet; thence south 514.64 feet to the true point of beginning, and containing 11.55 acres.

Of this tract 10.27 acres lie wholly outside of the established boundary lines of Sauvie Island Drainage District. If these 10.27 acres lay within the established boundary lines of Sauvie Island Drainage District, they would be subject to assessment of benefits by us as follows:

3.87 acres in Dike Right of Way at \$100.00	\$ 387.00	
<u>6.40 acres in Zone 3 at \$70.00</u>	<u>448.00</u>	
10.27 acres at average benefit of \$43.62 plus per acre		\$ 445.00

However, pending the inclusion of these 10.27 acres within the territorial limits of Sauvie Island Drainage District, we appear to lack jurisdiction to assess the same or any part thereof for benefits in any amount whatsoever and we so find, although the dike as constructed protects and will continue to protect against overflow by flood waters 10.27 acres of said tract and to that extent actually benefits and will continue to benefit said tract.

The remaining 1.28 (11.55 less 10.27) acres lie wholly inside of the established boundary lines of Sauvie Island Drainage District. Our findings with respect to benefits to these 1.28 acres are as follows:

1.28 acres in Zone 3 at \$70.00	\$ 89.60
---------------------------------	----------

FRITCHAL EDITH

Owner of

Tax Lot Eleven (11) in Section Thirty-four (34), Township Three (3) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Section 34, Township 3 North, Range 1 West; thence North 89° 56' East along the South line of said section 532.0 feet to the center of Reeder Road; thence North 55° 35' East 308.1 feet along the center line of Reeder Road; thence North 62° 39' East 258.2 feet along the center line of Reeder Road; thence North 65° 26' East 142.55 feet along the center line of Reeder Road; thence North 54° 32' East 1780.90 feet; thence North 61° 54' East 411.25 feet along the center line of Reeder Road; thence North 74° 33' East 201.12 feet along the center line of Reeder Road; thence North 71° 48' East 272.88 feet; thence North 87° 04' East 284.95 feet; thence South 71° 37' East 286.25 feet; thence South 68° 19' East 356.22 feet to the true point of beginning; thence South 68° 19' East 563.48 feet along the center line of Reeder Road; thence South 57° 10' East 235.2 feet along the center line of Reeder Road; thence South 86° 58' East along the center line of Reeder Road, 79.40 feet; thence North 961.69 feet to the south line of Kitty Hutchinson property; thence North 88° 28' West along the south line of Kitty Hutchinson property, 614.66 feet; thence South 692.12 feet to the true point of beginning, and containing 11.55 acres

Of this tract 5.20 acres lie wholly outside of the established boundary lines of Sauvie Island Drainage District. If these 5.20 acres lay within the established boundary lines of Sauvie Island Drainage District, they would be subject to assessment of benefits by us as follows:

2.00 acres in Zone 3 at \$70.00	\$140.00	
<u>3.20 acres in Dike Right of Way at \$300.00</u>	<u>960.00</u>	
5.20 acres at average benefit of \$26.82 plus per acre		\$ 140.00

However, pending the inclusion of these 5.20 acres within the territorial limits of Sauvie Island Drainage District, we appear to lack jurisdiction to assess the same or any part thereof for benefits in any amount whatsoever, and we so find, although the dike as constructed protects and will continue to protect against overflow by flood waters 5.20 acres of said tract and to that extent actually benefits and will continue to benefit said tract.

The remaining 6.35 (11.55 less 5.20) acres lie wholly inside of the established boundary lines of Sauvie Island Drainage District. Our findings with respect to benefits to these 6.35 acres are as follows:

6.35 acres in Zone 3 at \$70.00	\$ 444.50
---------------------------------	-----------

Tract No. 114

STARR, LEWIS A.

Owner of

Tax Lot Eight (8) in Section Thirty-four (34), Township Three (3) North, Range One (1) West of the Willamette Meridian in Multnomah County, Oregon, and described as follows, namely:

Beginning at the southwest corner of Section 34, Township 3 North, Range 1 West of the Willamette Meridian; thence North 89° 56' East along the south line of said section, 532.0 feet to the center of Reeder Road; thence North 55° 35' East 308.1 feet along the center line of Reeder Road; thence North 62° 39' East 258.2 feet along the center line of Reeder Road; thence North 65° 26' East 142.55 feet along the center line of Reeder Road; thence North 54° 32' East 1034.57 feet to the true point of beginning; thence North 54° 32' East along the center line of Reeder Road 726.33 feet; thence North 61° 54' East 411.25 feet along the center line of Reeder Road; thence North 74° 53' East 201.12 feet along the center line of Reeder Road; thence North 71° 48' East 253.60 feet along the center line of Reeder Road; thence North 514.64 feet to the south line of the Kitty Hutchinson property; thence North 88° 28' West along the south line of said Kitty Hutchinson property, 466.63 feet to the meander line of Sturgeon Lake; thence South 58° 00' West along the meander line of Sturgeon Lake 701.00 feet; thence South 65° 00' West along the meander line of Sturgeon Lake 760.25 feet; thence South 32° 00' East 686.20 feet to the true point of beginning, and containing 23.90 acres

This tract lies wholly outside of the boundary lines of Sauvie Island Drainage District as established by the order of the Circuit Court of the State of Oregon for the County of Multnomah dated August 1, 1938 and made in a proceeding entitled in the Matter of the Organization of Sauvie Island Drainage District and numbered 130-087. If this tract lay within the boundary lines of Sauvie Island Drainage District as so established, it would be subject to assessment of benefits by us as follows:

14.43 acres in Zone 3 at \$70.00	\$1,010.10	
7.55 acres in Dike Right of Way at \$00.00	00.00	
1.92 acres outside Dike Right of Way at \$00.00	00.00	
23.90 acres at average benefit of \$42.26 plus per acre		\$1,010.10

However, pending the inclusion of this tract within the territorial limits of Sauvie Island Drainage District, we appear to lack jurisdiction to assess the same or any part thereof for benefits in any amount whatsoever, and we so find, although the dike as constructed protects and will continue to protect against overflow by flood waters 21.98 acres of said tract and to that extent actually benefits and will continue to benefit said tract.

Under the maps, drawings, plans and specifications prepared by the Corps of Engineers, United States Army, and showing in detail the work contemplated to be done under the plan for reclamation of Sauvie Island Drainage District, which were in effect at the time of the establishment as aforesaid of the boundary lines of Sauvie Island Drainage District, the route of the dike to be built was located wholly over lands lying within the territorial limits of Sauvie Island Drainage District. Subsequently such maps, drawings, plans and specifications were so revised by the Corps of Engineers, United States Army, as to relocate in part such route across the five tracts of land last above described, and the dike was constructed thereafter along the route as so relocated, neither Sauvie Island Drainage District nor its Supervisors having any choice or control in the matter of the original location of the route of the dike or of the later relocation of that route.

IN WITNESS WHEREOF, we have hereunto set our hands and seals at Portland, Oregon, this 31 day of March, 1942.

(sgd) John W. Cunningham (SEAL)  
(sgd) M. M. Lyons (SEAL)  
(sgd) A. E. Tulley (SEAL)

Commissioners.
